

 Decades of Performance

CageMaster® Plus

**JUST HOOK IT ONTO
A CAGE AND IT DOES
ALL THE WORK.**

CageMaster® Plus

Spec Chart

- » Constructed of durable steel with a powerful 4.0 peak horsepower motor that generates warm, filtered air.
- » Because there is no heating element, it will never overheat. There is no hot air to dehydrate dogs or injure their scalp and coat.
- » BONUS: It easily converts into a forced air dryer, for all pet drying needs. Use the 1-1/4" diameter hose to deliver a high-velocity air stream that quickly dries the thickest and wettest coats.
