

 Decades of Performance

Super Vac 'N, Blaster™

**DETAILERS AND CAR
ENTHUSIASTS WORLDWIDE
DEPEND ON METROVAC FOR
ULTIMATE VACUUMING AND
DRYING POWER.**

- » As a vacuum, the incredible suction power generated by the 2-twin fan 4.0 Peak HP motors will clean your car's interior in no time. Features every specialized detailing vacuum cleaner attachment needed for flawless detailing.
- » As a powerful blower, it uses warm, dry, filtered air to deliver a safe, touchless drying experience. It will never scratch expensive paint and chrome finishes or cause scratches, streaks and spots like towels and chamois can. Removes water from inaccessible areas of your car and it will blast dust from AC vents and shift boots.
- » With the 10 or 30-feet of commercial quality hose, you can use SUPER VAC N BLASTER® while it's mounted on the wall or just slip it off the wall mount bracket and effortlessly roll it to your vehicle.
